Notes
All players receive one Performance Star when they become an AJGA member. Rising seniors (2011 grads) receive two Performance Stars for membership. These Performance Stars do not carry over to 2011.
A player's PBE status (Performance Stars and Exemptions) will determine their acceptance into AJGA Open events. The status required for acceptance will vary by event.
Players will start the 2010 season with their status based upon their performance in 2009. For example, a player who earned two Exemptions in 2009 will start the 2010 season with a status of two Exemptions regardless of if those Exemptions were used (except Opt Outs) to gain entry into an Open tournament last year.
Exemptions and Performance Stars apply only to the oldest or overall junior division for all tournaments listed.
Please see ajga.org for a complete list of State Association Junior Tour events that are included in PBE.
