| Notes  |
|--|
| All players receive one Performance Star when they become an AJGA member. Rising seniors (2012 grads) receive two Performance Stars for membership. These Performance Stars <b>do not</b> carry over to 2012.  |
| A players' PBE status (Performance Stars and Exemptions) will determine their acceptance into AJGA Open events. The status required for acceptance will vary by event.   |
| Players will start the 2011 season with their status based upon their performance in 2010. For example, a player who earned two Exemptions in 2010 will start the 2011 season with a status of two Exemptions regardless of if those Exemptions were used (except Opt Outs) to gain entry into an Open tournament last year. |
| Exemptions and Performance Stars apply only to the oldest or overall junior division for all tournaments listed.   |
| Please see <a href="http://ajga.org">ajga.org</a> for a complete list of State Association Junior Tour events that are included in PBE.  |
