These Performance Stars <b>do not</b> carry over to 2013. A player's PBE status will determine their acceptance into AJGA Open events. The status required for acceptance will vary by event. Players will start the 2012 season with their status based upon their performance in 2011. For example, a player who earned two Exemptions in 2011 will start the 2012 season with a status of eight Performance Stars regardless of if those Exemptions were used (except Opt Outs) to gain entry into an Open tournament last year. Performance Stars apply only to the oldest or overall junior division for all tournaments listed. Please see <a href="http://ajga.org">ajga.org</a> for a complete list of State Association Junior Tour events that are included in PBE.
