### Stipend Guidelines

1. \* - Expenses up to the amount of the eligible stipend may be donated to the AJGA, which is a 501 (c) (3) organization. Once the form AND receipts are received, a charitable contribution receipt letter will be sent to you for your tax records.
2. Receipts **MUST** be enclosed for all expenses - for either a reimbursement check or a charitable donation. A Mapquest printout ([www.mapquest.com](http://www.mapquest.com)) is required to substantiate mileage.
3. The AJGA is not permitted to provide reimbursement for items bought with frequent flier miles or point rewards programs (per United States Golf Association guidelines).
4. Reimbursable expenses include accommodations (up to the host hotel rate plus tax), travel to/from the event (flight; mileage; or rental car with gas) or rental car expenses (if the AJGA/tournament does not provide airport transportation) for the junior only. Parents' expenses are not eligible for reimbursement.
5. All travel stipend requests must be submitted to Tournament Director, Tommy Tangtiphaiboontana, by **July 8**. Any requests received after this date will only be honored in the form of a charitable donation to the Association as outlined in #1 above.
6. The Tournament Stipend committee reserves the right to approve/deny any reimbursement of stipend expenses.
